Ice & Fire

Yield: 1 cocktail

2 ½	oz	Bourbon
½	oz	Demerara Syrup
½	oz	Fernet-Branca
3	dash	Angostura Bitters
1	each	Orange Twist

Directions:

1. Combine liquid ingredients in a mixing glass.
2. Add ice and stir.
3. Strain over fresh ice into a chilled rocks glass.
4. Using the Microplane peeling tool, cut a long twist from the peel of an orange.
5. Light a match and position the match one inch above and beside the rim of the glass.
6. Express the oils of the orange twist over the flame and into the cocktail, igniting them and seasoning the drink.
