

Stainless Steel 2 in 1 Herb Mill

The 2 in 1 Herb Mill adds a new twist to a proven Microplane favorite and improves on the original functions. First, Microplane integrated a herb stripper with three differently sized holes into the unit. The herb stripper quickly and efficiently removes the flavorful leaves from commonly stemmed herbs. Then Microplane refreshed the look by changing to a translucent body that enables the user to see the herb and plunger placement as well as the scissor like action taking place. Lastly, one of the two blades has been molded into the body to make the Herb Mill easier to take apart, reassemble, clean and use.

Features:

- Hundreds of tiny scissor blades cut herbs without blemishing or bruising
- Effortlessly cuts fresh herbs with a simple twist
- Holds a generous supply of fresh herbs
- Integrated 3 size herb stripper
- Blades made in USA
- Top rack dishwasher safe
